WEEKLY Chapel News

This week at chapel...

Our very own Mr. Tucker welcomed and introduced our Warriors to this year's chapel theme, and CCS Core Value - Excellence in Education.

The verse from chapel: Col. 3:23 - 24

Take Aways to talk about:

The pursuit of excellence isn't the same as attaining excellence but rather, it is the heart behind your actions as found in col. 3:23 & 24.

Next Week

Fruit of the spirit being singular and showing up in these ways...in prep for our small groups.

Dr. Kuhn's Verse:

Prov. 16:20-24

Pastor Travis Blake, North Isanti Baptist, quote, from chapel

"We often work for self actualization and fulfillment. We want our work to have meaning. Finding joy in work is a God-given instinct, but doing whatever we are tasked to do with excellence and a willing heart is better." So, students, your schoolwork can be worship to God.
